## **City Hires City Resident Doug Fraser as its Building Official**

FALLS CHURCH, VA. – The City recently hired Doug Fraser as its Building Official. Doug will supervise building inspections staff, issue certificates of occupancy, ensure compliance with codes and policies, and perform field inspections and reinspections of residential, commercial, industrial and public facilities for compliance with building, plumbing, and electrical and mechanical codes.

Doug Fraser comes to the City having previously served as a Building Plan Reviewer for Arlington Inspection Services for the past nine years. Possessing a Bachelor of Architecture from the Virginia Polytechnic Institute and State University, Doug has over 25 years of architecture, code compliance, and engineering experience. Fraser is a Certified Building Official with the International Code Council and holds numerous Virginia certifications in examining plumbing, fire protection and building plans.

“Doug brings a wonderful mix of architectural, engineering and construction experience; he is committed to environmental issues as it relates to construction; and as a City resident, he more than understands our community – he is a part of our community. We couldn’t have asked for a better candidate,” says City Manager Dan McKeever.

Doug Fraser will begin work with the City Monday, May 10, 2004.

For more information please contact 703-248-5003.
